Oh my! I never noticed that. I am sorry!

Next week is going to be an interesting day between my work and the city.

Is the food still coming tonight? Can I grab a slice of pizza? J/K ■

Subject: Tonight's meeting canceled!

Due to an error on my part, the Committee of the Whole meeting must be canceled tonight as to not violate open meeting laws. The agenda went out with the date of June 15 rather than June 8 and we need at least 24 hour notice. I spoke with the Mayor and he is going to reschedule the COW for June 15 at 5:30 prior to the regular meeting. Sorry for the inconvenience! Way to go out with a bang!

You may get a couple of these emails as I try to notify everyone.
