Subject: Committee of the Whole

Good afternoon,

I am rescheduling tonight's Committee of the Whole meeting for Tuesday, June 22nd. After speaking with the leadership and some department heads, I'm not sure we could effectively hold this meeting next Tuesday so I'm asking that we gather at 5:30 on the 22nd to hold an uninterrupted conversation as we would have tonight.

If the date and time absolutely don't work, please let me know as soon as possible.

Thank you,

Jim
