Nothing for you to do. It will be under business by the Mayor. I expect it to be fairly brief.

Thanks,

Procedure wise, is this under business by Mayor, would it need to be amended?  
Anything I need to do? This isn't a mini-cow?

Good afternoon Councilors,

Because the Fire Chief will be unable to make our rescheduled COW meeting, I'm going to set aside some time this Tuesday for you to ask any questions you have regarding the fire department proposals. I won't have him give a presentation as the other department heads won't have that opportunity at COW but please review the SFD budget proposals in your packet and come prepared with any questions you have. You may still ask fire related questions on the 22nd and I or one of the Command Staff will do our best to answer them but Tuesday will be your opportunity to speak with the Chief himself.

Thank you and have a good weekend.

Jim
