That issue below is correct. He met with someone in your office who drafted the letter on January 11th and would like to meet with the same person. Unfortunately, our records do not indicate the name. Any insight would be appreciated!

Hello Rebecca,

My apologies for the delay in response. This has been an exceedingly busy time as I am preparing for a case going to trial in addition to my normal responsibilities. On the DNR staff side we have also had a recent retirement that has affected our timing as we bring a new person in to the loop on this matter. I will not be able to meet with Mayor Paine on Thursday of this week and be prepared to resolve the matter. Please let the mayor know I sincerely appreciate his attention to this and the offer to meet in person. I will be prepared to reengage with a proposal for resolution at the conclusion of my case. I would propose a virtual meeting at a convenient time the week of August 7th (unless the mayor has another trip to Madison planned in the near future). Would you be able to assist and let me know a few available and convenient times? I can arrange the meeting and send an invite to you and Mayor Paine.

Thanks and regards,

We are committed to service excellence.

Hello,

It may work for him to just call in for an update. If you're able to just give me a name of who is handling it and possibly an update of where it is at that may be sufficient.

I appreciate your help,
