Counsel,

I am reaching out to find mutually agreeable dates for Defendants' depositions. Please provide dates when Defendants Taylor, Gaard, and Brown are available for their depositions between 9/22 and 10/17. If you can provide as many dates as possible when each Defendant is available, that will increase the chances that we can find a date that works for everyone without additional back and forth.

We also intend to depose SPD officers Jason Moen and Dylan Crist and SPD chief of police Paul Winterscheidt. I assume that given that those three individuals are all employees of the City of Superior, you will be representing them at their depositions. If that is the case, please provide their availability to sit for a deposition in the same timeframe.

We intend to conduct all our depositions by Zoom.
